Dear Parents/Guardians:

If experiencing hiking, going on a guided tour through a Native American village, and seeing a mob of kangaroos sounds like fun to your 3rd, 4th or 5th grader, then read on!

North Montgomery is in the 14th year of the Bratton Initiatives. The middle school initiatives offer Summer Adventures to students in grades 3-5 (*grade enrolled 2018/19*). These adventures are designed to give your student the background knowledge to aid in your child's comprehension skills and overall educational experience. It has been noted that bringing real world knowledge into the classroom helps students better comprehend, predict, visualize, and retain tasks done in the classroom.

Attached you will find a detailed explanation of the adventures offered to students in grades 3, 4 or 5 . Along with the explanation you will find a permission/emergency medical form that will need to be turned in along with the money for entry fees due by **Friday, April 19th** .

Thank you for your involvement in the Bratton Initiatives Summer Adventures.

Loving to learn and adventure,

Mrs. Jodi Webster
